

Cameron T. Brown

1040 Connecticut Avenue, Glen Allen, VA 23060

(804) 543-8860 cbrown804@vt.edu

EDUCATION

- Virginia Tech Business Information Technology Major
- 3.65 GPA (Junior)
- New Horizon Scholar

WORK EXPERIENCE

10/4/2022 – present **Pamplin Ambassador**

- Organize and facilitate impactful recruitment events, including Admissions Open House and Hokie Focus weekends.
- Conduct weekly info sessions, lead visits, and actively engage with prospective students and families.

8/20/2022 – present **Yates Society Scholar**

- Support outreach, engagement, and recruitment efforts for Virginia Tech's student body.
- Connect prospective students to campus community and share personal Virginia Tech experience.

6/19/2023 – 8/7/2023 **Ernst & Young Launch Intern**

- The launch internship is a rotational program that covers all service lines (audit, tax, and consulting). I was able to network, work with clients, and build the foundation for a career in professional services.

6/7/2022 – 6/30/2022 **Student Staff Leader (BCI)**

- Attended sessions, supported 500+ students, and facilitated program activities throughout BCI (Black College Institute), which is an academic enrichment program for intellectually curious rising high school juniors and seniors.

7/13/20 – 12/23/2022 **Chick-Fil-A, Hospitality Team Member**

- Efficiently helped prepare orders ensuring accuracy, timely delivery, and quality fast-food service.

6/6/2022 – 7/25/2022 **PWC/Paragon One Extern**

- Helped a non-profit company named Develop for Good find additional ways to generate revenue.
- Analyzed the STEM education funding sector, researched possible donors, and presented my findings.
- My insights and recommendations were taken into consideration to better the future of Develop for Good.
- Gained insight on different tasks consultants are faced with daily.

HONORS & AFFILIATIONS

- 2023-2024 PUMP (Pamplin Undergraduate Mentoring Program) Vice President, ensuring that mentors are engaging with their mentees and helping with logistics.
- 2022-2023 PMDC case competition 3rd place winner, where my team and I worked as consultants to create new policies and processes that would diversify the presented company's workforce, without incentivizing discriminatory interview practices.
- 2022-2023 PUMP & Ujima mentor, who helped first year students navigate campus successfully while also providing helpful insights, tips, and tricks.
- 2022-2023 BIT club photographer, who helped capture engaging pictures of students at our events. Also helped run club social media platforms.

Experiential Learning

- My group and I created a virtual reality and metaverse-based DSS (Decision Support System) for Accenture to host convenient and efficient company meetings and project presentations. It features a simple user interface, cost-saving benefits, and dynamic functionality.
- Participated in DEIB around the world, visiting Switzerland and Italy. Throughout this 10-day trip I was able to gain knowledge about international markets, tourism, and what a career working abroad entails.
